**Name/label on map Full name                      General location Locke    Current Address                      Note                      1858 tax**

**SEARCHABLE CATEGORIES:**

Women Owners: Search Miss, Mrs, wife, widow, Sexism. (Further deed research could perhaps turn up additional houses owned by wife.)

“Destroyed by fire” (or “burned” where level of destruction and/or date are unclear).

**REVISION MARCH 2023:**

- (1) Corrected G. Danforth = 102 (not 106) Ponemah Rd. (2) Added unlabeled house opposite P. Duncklee = 106 Ponemah Rd.
- (3) Change of Street Number: 116 Spring Road (formerly 102).

**REVISION JULY 2023** (by Katrina Holman):

- (1) Street number correction: 3 Old Mont Vernon Road (“43” was old typo)
- (2) Additional info for “O. Carter”: 16-room house & 2 barns destroyed by fire 1941 when it was huge dairy farm owned by Letendre
- (3) Name correction for 100 Bab Lake Rd: Jesse (not Jonathan) Thompson Wright of Nashua, nonresident (see deeds 299:369; 343:518).
- (4) Location correction: “J. D. Brown” house stood on north side of road, whereas 47 Spring Road is on south side. Unsolved puzzle whether J. D. Brown House was moved across street or moved elsewhere. Altho E Meserve House is shown on 1892 map as being on north side of road, that map is full of errors and cannot be trusted; Meserve owned land on both sides of road but house probably was on south side of road and was/is old house still standing at 47 Spring Road.
- (5) Name correction for “W. Danforth” = 1 Ponemah Hill Road: Owner at time of 1907 fire was Lula (Mrs. Herbert) Nelson.

**REVISION APRIL 2024** (by Katrina Holman):

- (1) Missing house: “R. Fletcher” on west side Chestnut Hill Rd, 2 side-by-side houses with single name label: added southern one, No. 46.
- (2) Destruction of old house: “J. Mace” on west side of lower Chestnut Hill Rd destroyed by fire 1918 (*Milford Cabinet*, 12 Dec. 1918, p. 5).
- (3) Replacement house for “Mrs Dodge” at 96 Chestnut Hill Rd: built 1919 by/for owner Bernard ( ref to “new” house in *Cabinet* 13 May 1920, p. 4).
- (4) Replacement house for “W. Danforth” at 1 Ponemah Hill Road: even older house moved there 1922 when owned by Ernest F. Nichols.
