Wigwam Garden Memorial Walkway:

Remembering those who have passed . . .

As a way to honor those who have come before us, the Historical Society has created a Memorial Walkway in the garden behind the Wigwam. Engraved bricks can be purchased and placed in memory of deceased Historical Society members, or for those who resided in Amherst for at least a portion of their lives.

Thanks to the efforts of the Amherst Garden Club, the walkway is surrounded by historic and beautifully maintained plantings – a serene spot to remember the many who contributed to preserving Amherst’s past and to making it the wonderful community it is today.

Please consider memorializing someone special to you with a tax-deductible gift of \$100 per brick. All proceeds will go toward the maintenance and preservation of the Historical Society’s two museums and the artifacts they house. Engraved bricks will be installed in groups throughout the non-frozen year.

How to Purchase your Brick(s):

1. Complete the order form (on the reverse) and send to the Historical Society with your check OR order on our website at hsanh.org. We ask that the person you choose to memorialize be either a former Historical Society member, or a one-time resident of Amherst.
2. If ordering multiple bricks, please complete a separate form for each brick.
3. Your order will be acknowledged, and you will be notified when your brick has been placed.
